

Susan Breault

Managing Partner, Sales Engineer

Sue Breault joined Crowley Associates in 1990 as a Field Sales Engineer. In 1994, Sue became a Managing Partner in the firm with expanding executive roles in marketing, human resources, and corporate communications.

With today's technologies along with Sue's in-depth understanding of her customer applications and design goals, she continues to provide innovative and creative solutions.

Throughout her career at Crowley Associates, Sue's passion for developing and maintaining strong relationships with her customers and channel partners has earned her the trust of many national and global clients. She believes that her success can be credited to her skill in actively listening to customers and prioritizing their needs.

Sue holds a Bachelor's Degree in Business Administration and Marketing from Franklin Pierce University. She also holds a certificate in Human Resource Management from Northern Essex College. Sue started her career in sales within the machine tool industry. Prior to Crowley Associates, she held the position as Regional Sales Manager for Augat, Inc.

Sue is a longstanding member of the ECIA Independent Manufacturers Rep Association and the ERA Electronics Representative Association. She is also a member of Women in Electronics and currently sits on the Advisory Board in addition to being a Chairperson of the Mentorship program. Sue is dedicated to mentoring and developing the next leaders of tomorrow in the electronics industry.

Sue along with her husband are life-long Massachusetts residents. They enjoy cheering on the local Boston sports teams and embracing outdoor adventures like boating, skiing, hiking and golf.
